NOTICE:

Article 4 of ATIA’s constitution says: “The Association endeavors to achieve its objective by:

- a) championing the interest of trade and industry in Aruba with all eligible agencies and authorities;*
- b) propagation of ethics and knowledge of commerce in general*
- c) giving support to the formation of autonomous divisions from groups of members, who have an interest in striving jointly for a common objective as long as this is not in conflict with the objective and interest of the Association itself.*
- d) All other legal means that tend to promote its objective.”*
